OUR DIRECTORS

“A leader is one who knows the way, goes the way, and shows the way."

Mr. Nishant Kumar

With over 22+ years of rich experience in sales, he excels at building long-term client relationships grounded in trust and mutual growth.

A man of unwavering integrity and his word, he is renowned for his exceptional ability to navigate complex negotiations, drive timely deal closures, and deliver outstanding results.

His strategic insight, customer-centric approach, and relentless commitment to excellence make him a trusted partner for clients seeking sustainable success.

Mr. Surendar Yadav

With over 18+ years of experience, he specializes in IT infrastructure, solution architecture, and process management, and is dedicated to providing high-quality services and building enduring client relationships.

With a strategic yet hands-on approach, he collaborates effectively with teams, mentors professionals, and delivers solutions aligned with business goals, earning trust through innovation and long-term partnerships.
